# MAP THE NESTS

**Make a map of your yard or park with any places you see holes in the trees that might be nests. Check the location regularly in during Spring in the mornings and late afternoons to see if a creature has moved in.**

A large, empty rounded rectangular box with a thin black border, intended for drawing a map of a yard or park. The box is centered on the page and occupies most of the lower half of the page.

# NATURE LOG

**Draw a Picture of the different birds you discover.  
Make a Note of the Different Colors**

**What is the name of the bird you saw?**
